

FREE SERVICES FOR FIRE FIGHTERS

CLEANING OF FIRE PROTECTIVE EQUIPMENT

Paul Davis cleans fire protective gear for free with our advanced new technology, the Esporta Wash System. This is a public service by Paul Davis Restoration & Remodeling so there is no charge to fire companies. Gear can be delivered and picked up by a fire company representative at our headquarters (1817 Colonial Village Lane, Greenfield Industrial Park, Lancaster) or call (717) 291-6000 to arrange pickup/delivery with Neil.

- * Optimum cleaning of the gear.
- * Removal of organic/ inorganic contaminants and contaminant build-up.
- * Removal of potentially flammable ground-in soils.
- * Elimination of insoluble and flammable soap scum.
- * Minimal deterioration of reflectivity after repeated launderings.
- * Minimal color and strength loss over time.
- * Uncompromised thermal protection.
- * Efficient and effective cleaning of helmets, boots, ropes, backpacks and other hard-to-clean ensembles.

TRAINING

Paul Davis Restoration & Remodeling has several training topics of particular interest to Fire Fighters including Restoration Techniques after Water and Fire Damage, Name that Black Mass, and others.

Paul Davis offers these trainings free of charge. They can take place at our state-of-the-art headquarters training facility or at your site. Call Neil or Stephanie to schedule free training.

FREE EVENT ADVERTISING

Promote your public events for free on our web site. Our web site (www.pdr-pa.com) experiences high visitation (example: 203,672 hits/mo., 4429 visits/mo.). We also sponsor WGAL's mobile web site, WGAL's Football Friday and High School Playbook as well as WGAL School Closings and have ads and hyperlinks on www.wgal.com so visitation to our site will continue to increase.

Fire Companies and their auxiliaries can submit their events on our web site for posting and we will post them, along with a hyperlink to your fire company web site. This is a public service courtesy of Paul Davis and great free advertising for you.
